

**LICENCED ALL AGES EVENT.**  
**BROTHERS LEAGUES CLUB (CAIRNS)**  
**POLICY ON THE ATTENDANCE OF MINORS**

**Where an advertised show states "Licensed all ages"  
a minor is allowed entry into the Auditorium  
under Strict Conditions.**

No special provisions will be made for children at these events. These are Licenced events where liquor is served.

Management, the artists and the event producers strongly advise against bringing children under the age of 15 and request that guardians use their common sense in determining whether a child is too young to attend. All minors attending these events MUST be accompanied by a responsible adult and should wear hearing protection.

**WHO IS A MINOR?** A child under 18 years of age.

**WHO IS A RESPONSIBLE ADULT?** As per the Liquor act 1992, each of the following is classified as a responsible adult for a minor-

- (a) a parent, step parent or legal guardian of a minor;
- (b) an adult, who, while a minor is on licensed premises has parental rights and responsibilities for the minor.

**Brothers Leagues Club Policy requires that:**

- (a) The Responsible Adult sign the Minors Entry form claiming full responsibility for the behaviour of the minor while on the premises.
- (b) The Responsible Adult produce valid, legal identification on entry.
- (c) The responsible adult understands that any minor in their care found in possession of liquor or conducting themselves in an inappropriate manner will result in the Responsible Adult, and all minors in their care, being immediately removed from the premises without refund.
- (d) There is a maximum of 3 minors allowed under the care of one responsible adult.

**Please complete the below form and present (with I.D) to security on the night of the show.  
Please refer to the age limits on the website specific to the show you are
